

**KRONOS 61/73/88**  
**KRONOS X 61/73/88**

**Sub-System Version 6.04 (V06R04)**

October 28, 2013

## **Changes**

- Reliability has been improved for USB MIDI transmissions to USB 3.0 ports on Windows computers.
- The start-up display has been modified, and now includes logos representing the KRONOS synth engines.
